# INFINITY NEWS

*The latest news and updates from Kemptville Infinity*

## **Hello Infinity Families!**

Fall classes have begun and we are happy to see returning athletes and many new faces. There was a huge interest in registration so we are in the process of reviewing the waiting lists and will be adding more classes...stay tuned!

As the number of our Infinity athletes continue to grow, we are trying our best to increase our coaching and admin staff. Please be patient as we continue to try to build the best team possible.

Progress report cards will be sent home before the holiday break. FYI, coaches monitor progress of all participants throughout the year, and may recommend a class change to better challenge the participant and allow for skill growth

# Introducing New Staff

## Coach Saif

We are proud to announce that Coach Saif is a new addition to the Infinity team. He is a former national team member in Morocco, who holds a Physical Education and Psychology degree from the University of Rabat. Since arriving in Canada, he has built a commendable career in gymnastics, starting by coaching at Corona School of Gymnastics from 1991, and has run the boys' competitive program at

Corona from 2000 to 2020 before spending a few years working with Rideau Gymnastics. He has coached Tyro, Novice, and Junior Canadian National champions, from 2006 to 2016, proudly dedicating his career to the advancement of his athletes; he also achieved NCCP level 4 certification back in 2011.

We are excited for what his knowledge and experience can bring to our athletes and to our coaches as a mentor.

## Ashley , Reception & Admin Support

In addition to providing admin support to Infinity, Ashley is our new full time front desk receptionist eager to greet all the athletes. She is happy to make sure everyone has a safe space to learn and have fun.

# Payment Policy Reminder

Acknowledgement of our full payment policy was included at the time of registration. Our full payment policy is available on our website

## Reminders

Monthly continuous enrollment: You are guaranteed your spot for the entire season (September/June) unless you advise us otherwise by the 20th of the month for the next month so we can advise those on the waiting list to take your spot.

Our monthly tuition payments are based on an average of four classes per month. No additional charge is assessed for months that offer five classes. In months where holidays, gym closings, snow days, etc. affect the schedule, tuition is not reduced, presumably accounted for by months week 5 weeks. We will review if there are other circumstances. We will always do our very best not to cancel classes unless absolutely necessary due to weather or safety issues. December fees will be prorated to reflect our two week Christmas closure.

Tuition is paid monthly - tuition is due on the 20th of the month for the following month. If you wish to pay by cash, cheque or e-transfer to [financial@kemptonvilleinfinity.com](mailto:financial@kemptonvilleinfinity.com), please do so by the 20th of the month for the following month's tuition. Any remaining balances by the 20th of the month will be charged to the credit card on file.

If there are changes to your credit card, the new information must be received by the 20th of the month. If any sort of financial assistance is required, please email [financial@kemptonvilleinfinity.com](mailto:financial@kemptonvilleinfinity.com) prior to the 20th of the month for the following month. We are approved for financing through the Jumpstart and Champions for Children support programs.

## Program Withdrawal

If you wish to withdraw from a class, please advise by the 20th of the month for the following month so that we may offer the spot to someone on the waiting list. If we are notified after the 20th, and there is someone on the waiting list to take your spot, you will be refunded your unused tuition after payment of a \$10 processing fee. If we are advised after the 20th and there is no-one on the waiting list, you will be charged for the full month.
