Small (but important!) Reminders

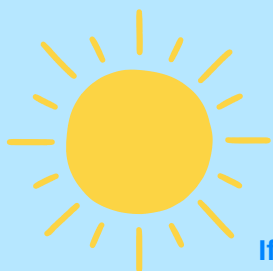

With the summer weather finally upon us we wanted to send a quick reminder of our Heat and Weather Policy that is signed by everyone upon registration for all classes. We are doing our absolute best to keep the gym cool, but with 30 degree weather on the horizon it can be challenging. We have AC's installed throughout the gym, fans to blow the cool air around, window coverings on all doors and windows to keep the sun rays out and try to open the garage doors to let in any breeze and help move the warm air around.

Even with all that, it can still be very hot while your children are training at the gym. We encourage you to bring lots of cool water with ice, wear shorts and t-shirts to help stay cool and we will be modifying all our activities for the next few weeks to include many water breaks, less intensive exercises and conditioning, encouraging breaks if an athlete overheats and needs to take a rest to cool down, and we also have ice packs on hand to help cool people down as needed. Our coaches are trained and will keep an eye out for signs of heat stroke, encourage lots of water breaks and rests so that everyone stays safe in the heat.

If we have to cancel classes due to extreme weather you will get an email notification, a phone call and it will also be posted on our Website, Facebook and Instagram pages 2 hours before the class is set to start. We try not to cancel classes except in cases of extreme heat or other catastrophic weather but sometimes need to if it becomes a safety issue.

Please use your best judgement and if your child will not be in class due to the heat please advise so we can mark them on our attendance sheets. And remember to stay cool in the parking lot and while waiting for your children!

Thanks so much and welcome to summer in Canada!

If there are any questions or concerns about the above, please email management@kemptvilleinfinity.com. Julia would be happy to answer any question you may have!

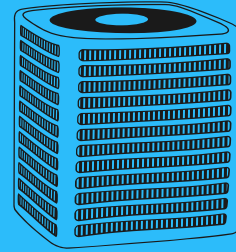

WHAT'S NEW AT INFINITY!

With so many changes happening at the gym please enjoy this section on what is new and exciting at Kemptville Infinity!

What's new at Infinity?

- We are super excited to announce that we are purchasing a large **Cooling Unit** for the main floor to help keep all our athletes and families cool during the summer months. It will certainly help keep things icier than we currently have!
- Coach Sam is implementing lots of new and exciting programming for the Fall schedule starting in September 2024. Registration for that opens up on July 2nd so keep an eye on your inbox for the details on scheduling and new classes/ programming that we are excited to offer.
- Did you know your child's report cards are now Virtual! You can view them on the Parent Portal. Simply head over to www.kemptvilleinfinity.com and click on Register Now/ Parent Portal on the home page.

Then follow these steps...

Select student

Select skills

Select notes to read comments from the Coach

If your child has completed all the skills they will be eligible to register in the next level.

Beginner Level 1- Burgundy

Level 2 - Red

Junior Level 3 - Tan

Level 4 - Bronze

Intermediate Level 5 - Purple

For Kinders they can register in the age appropriate classes and would continue with the kinder levels until they are ready for Beginner gymnastics. The athletes would then transition to a non-parented class to complete Kinder level 9, 10 and begin Level 1 burgundy skills by Coach recommendation.

Seahorse Parent and Tot - Ages 18 Months to 3

Tiny Star Parent and Kinder - Ages 4 - 5

Mini Gymnastics - Ages 5 - 6

Beginner Gymnastics 7 and up

WHAT'S NEW AT INFINITY!

With so many changes happening at the gym please enjoy this section on what is new and exciting at Kemptville Infinity!

What's new at Infinity?

We are switching up how classes are run at Infinity!

Infinity is proud to offer many different classes and events throughout the year and we always strive to make it easy for our families to register and continue learning for a full year. We have decided to adopt a "semester" based approach to our recreational classes and will begin this in our new September 2024 session.

Instead of paying a monthly fee for the classes you are taking, we will be doing a semester from September- December and will charge for the full amount for the session in September. Classes will be pro-rated based on holiday closures or vacations and this will be reflected in the price you pay for each semester. A non-refundable \$40+tax GO fee will be charged for all Fall classes. See website for details.

The semesters will be as follows...

September 2024- December 2024

January 2025 - March 2025

April 2025 - June 2025.

**** Please note that you are not automatically enrolled in the upcoming semesters. At the end of the semester, you will have the opportunity to register to continue at that level, the next level up if recommended by your coach or try another class.**

This change was done for several reasons,

- The ability for athletes to customize their training plan. You may be ready to move up a level sooner than anticipated and with shorter semesters we are able to suggest the best class for your child once the first semester is over.
- Report cards will come out at the end of each semester so you are able to really view your child's progress and notes from their coaches.
- Financially. There is a lot of cost to monthly billing and we thought that savings could be better spent on equipment or improvements to the gym. Also, you are only being charged for the classes that we hold and the cost will be prorated based on holiday closures or vacations.

**** We can also offer a monthly based payment plan if requested by you and approved by management, but a \$5 admin fee will be charged per payment. Please email admin@kemptvilleinfinity.com to arrange this option**

We want your feedback! If there are any comments or concerns we would love to hear them. Reach out to management@kemptvilleinfinity.com and Julia would be more than happy to answer any questions you may have on our new semester system.

THANK YOU COACH ANNA!

We have had the pleasure of having Coach Anna in our gym for two years now! Anna will be heading home to Ukraine at the end of June, to support her family, who need her. We hope to see her back in Canada again soon!

Anna Tolkacheva

Recreational & Competitive Coach
NCCP Foundations Trained in Artistic Gymnastics,
Trampoline and Competitive Gymnastics

Anna was an important part of our recreational and competitive family and we will miss her very much! She is an amazing part of our team. We hope she will return to Canada soon!

We have so loved having her be a part of the Infinity Team and wish her all the best and safe travels back to Ukraine, where her family is living.

Anna is originally from Odessa, Ukraine and started gymnastics at age 7 and was quickly accepted into a full time gymnastics school in Kyiv where she spent most of her gymnastics career. She competed all over Ukraine and was a youth member of the Ukrainian national team. From 2001-2003 she was a bronze medalist, training at the specialist sports schools of the Olympic reserve. Anna brings lots of knowledge of technique, skills progressions, ballet and conditioning to Infinity which knowledge helps her support Infinity's coaching team. Anna's coaching experience has ranged from early years programs to adults and she has become a part of our Infinity family. In Anna's spare time, she enjoys photography and being in nature.

THANK YOU COACH ANNA!

YEAR END PARTY, 2024!

WE HAD A WONDERFUL TIME ON JUNE 23RD AT OUR YEAR END PARTY AND THANK YOU SEND OFF FOR COACH ANNA. SAFE TRAVELS! AND THANK YOU ALL WHO ATTENDED AND HELPED US RAISE MONEY FOR OUR EQUIPMENT FUND
