

September Newsletter

Welcome!

Whether you are a returning athlete or you are brand new to Kemptonville Infinity, we would like to thank you and welcome you and your family! We are excited about our upcoming season, and we hope you are too.

Stay Informed

We always have lots of great info to share such as new classes added, coming events, policies etc. so be sure to keep up to date by following our facebook, instagram and web pages. Also, make sure to opt in for email communications in the parent portal and read our monthly newsletters so you don't miss any important info.

New Classes

In October, we are excited to announce that we will again be adding weekday homeschool classes as well as weekday babybastics and parent/tot. In addition, we will soon be adding private lessons.

STAY TUNED (as above LOL)
...more details to follow!

Safety First!

What to Wear

What you wear is just as important as what you learn. Why? Safety is the biggest factor, and we want all of our athletes safe while using equipment.

Hair must be securely tied back. You should have proper gymnastics attire-- a bodysuit, or shorts and a form fitting top. Remember-- Overly loose clothing can get caught on the equipment and hinder movement.

While at the gym, it is best to be in bare feet to provide a safe grip on equipment.

NO jewelry should be worn during class, this includes anything on your wrist that may get caught in equipment.

Inclement weather

From Heat Waves to Blizzards...

When it is deemed too hot (who ever thought that would be an issue in Canada?!) or the weather is dangerous to drive in, please be sure to check our facebook page to ensure classes are running. We will also send out an email to notify you of any cancellations.

Kemptville Infinity will do it's best to get the information to you... please do your part and check whenever in doubt!

Just for Parents

Parents, we know you want the best for your athlete, and we do as well. With everyone's safety and well-being in mind, our policy for classes (with the exception of parent/kinder/tot classes) is that parents/guardians as well as other siblings who are not in a class **must watch from the parent viewing area upstairs**. We know that there are areas of the gym that you cannot see well and we have cameras and a viewing screen that will be provided in the parent viewing area shortly.

Don't worry - You will have a chance to watch up close later in the season as there will be some parent viewing classes where you will be allowed to follow your athlete on the floor through their class.

Note: if your athlete requires special accommodation, please email info@kemptvilleinfinity.com and a note will be put on their file.

DID YOU KNOW?

We hope you will enjoy this new feature in our newsletter to provide you with answers to some frequently asked questions.

Class/Level Adjustment

During our first month back to classes, we may make some adjustments to make sure athletes are in the correct level. This is done to ensure that your athlete will be getting the most out of their training while they are here and help set them up for personal success. When your athlete's coach feels they are ready to move up a level, that can be done at any time (subject to availability) because of monthly rolling enrollment.

Payment Policy

Just a reminder that you should review the payment policy that you acknowledged when you registered which includes letting us know by no later than the 20th of the month if you WILL NOT be continuing the next month or your spot is automatically renewed and billed. This advance notice allows us to fill the spot with an other athlete from the waiting list. A copy of the payment policy is at https://www.kemptonvilleinfinity.com/_files/ugd/9d1827_3bc55134232a40da8587a7e1d61e46e0.pdf

Label your stuff!

Everyone forgets something once in a while! It helps all of us if your belongings are labelled with your name. This not only helps get items back to the correct person, but also helps mix-ups in the lobby with similar boots and shoes. We do have a lost and found on the shelf near the athlete waiting area, but please understand that we cannot keep items indefinitely. **We will be donating any unclaimed items every month to charity**
