

# March Newsletter

## Warmer weather is around the corner...

Welcome to March!  
The groundhog has spoken and an early spring is on the horizon. No more snowstorms, ice, hail or sleet and we couldn't be more excited for what this new season brings.

New challenges in classes, an opportunity for all athletes to push themselves and try their very best, plus a chance to learn and grow as a gym. We have summer classes and camps starting in July but before we can greet the warmer weather we need to get through the next few months. Welcome to spring!

## St Patricks Day History Lesson.

Traditionally celebrated on March 17th in Ireland and most of the world... the Feast of St Patrick was originally in honor of his death.

During the 5th century he was a priest of the Catholic religion and preached all over Ireland and surrounding countries.

He died on March 17th and in his honor a grand celebration took place. There was good food, music, friends, family and a fun filled evening celebrating some of his religious work.

FUN FACT- the name Patrick is latin for "Father" or "Nobleman"

# FROM THE HORSE'S MOUTH

## REMINDER FROM LAST MONTH!

### KEMPTVILLE INFINITY IS OFFICIALLY PART OF GYMNASTICS ONTARIO!

Since the purchase of Kemptville Infinity four and a half years ago, we have had several BIG DREAMS for our athletes and facility. The 1st was providing endless opportunities for our athletes which we continue to work on & develop. We have some amazing new things planned for when we move! That brings us to our 2nd goal which was to find a bigger, more suitable space as we continue to grow (checkout [forestofdreams.ca](http://forestofdreams.ca) for more info). The 3rd was to have our coaches trained under the National Coaching Certification Program.

The next step in our journey to become the best facility we can be was to join the governing body for gymnastics in our province, Gymnastics Ontario (GO). A governing body ensures that coaches follow a schedule where training and continual upgrades in training are important to being a good coach who continues to grow. We have worked hard for the past four and a half years to certify and train all our coaches with coaching basics. This way we can become a Gymnastics Ontario member, like the other gyms in the surrounding area and the majority of gyms in our province. Being a GO member is a standard in the gymnastics industry!

*See email of January 20, 2024 titled BIG News from Kemptville Infinity for full details.*

If you have any questions contact [admin@kemptvilleinfinity.com](mailto:admin@kemptvilleinfinity.com)

#### A Few Benefits of Being a GO Gym

- **insurance coverage** for athletes and coaches, including physiotherapy and other medical support
- **strict NCCP standards** for coaches and the facility ensuring development of strong programming
- **specialized training** for coaches and staff
- **more access to training** for spotting, safety standards managed by GO
- **Gymnastics For All** - diversification of programs for range of participants in our community and is a club's commitment to access, equity, and inclusivity within the community
- access to the **Gymnaestrada showcase** event for gymnastics participants at all levels

*“Being a GO member holds us to a high standard and it will help us continue to improve our programming. Gymnastics Ontario advocates, promotes and leads the development of quality programs and serves to enhance foundational movement, achieve athletic excellence and foster lifelong fitness for all participants.” - [www.gymnasticsontario.ca](http://www.gymnasticsontario.ca)*

#### What does this change mean for Infinity families and athletes?

**To become a GO member and to maintain our GO status, there are a variety of fees that Infinity has to pay. In addition to that is an annual fee of \$36 to be paid by all participating recreational athletes. Competitive athletes have a higher fee and have been contacted by email separately. This fee is currently due and will have to be paid annually on July 1st for coverage until the next June 30th.**

Auto Billing - your account will be automatically billed for the Gymnastics Ontario fee further to our January 20th email. If you are in need of paying this fee in installments, please reach out to [admin@kemptvilleinfinity.com](mailto:admin@kemptvilleinfinity.com).

# DID YOU KNOW?

**We hope you will enjoy this new feature in our newsletter to provide you with answers to some frequently asked questions.**

## **Small (but important!) Reminders**

Please label all of your child's things with their name. We have an impressive collection of Lost and Found items that need a home! They can be picked up at reception, and will be donated at the end of the month if there is no home found for the items. After every class ask yourself... do I have everything that came with me? This includes children!

## **Payment policy**

Tuition is paid monthly - tuition is due on the 20th of the month for the following month. If payment is made prior to the 20th of the month by one of the options listed below, your credit card on file will not be charged.

Payments may be made in person with cash or E transfer. Please make E transfer payable to Management@KemptvilleInfinity.com and include the athlete's full name in the memo portion of your ETransfer. Any remaining balances by the 20th of the month will be charged to the credit card on file. If delinquent tuition is not paid before the first of the month, your child(ren) will be marked inactive by the computer and will be unenrolled. Children on the waiting list will then be contacted to take their place.

## **GO Questions and details.**

There have been some questions about the new GO fees. We have updated our website with the accurate and important information and have included some important points below.

 **To become a GO member, there is a non-refundable annual fee for all participating athletes. A \$36.00 Gymnastics Ontario fee is to be paid by recreational athletes once every year upon registration (July 1st through June 30th).**

 **In addition to the fees paid by families for athletes, Infinity will contribute a large financial investment every year to maintain its GO status. This ensures that families and our facility will get all GO member services and a continued growth in our programming.**

 **There are many benefits to becoming a GO gym, which have been detailed in the email sent on Jan 20th, on the website and in the past editions of the Kemptville Infinity Newsletter. NCCP training for all coaches, Insurance coverage, additional specialized classes and so much more.**

**If there are any questions or concerns about the new GO fees, please contact [admin@kemptvilleinfinity.com](mailto:admin@kemptvilleinfinity.com). Fees are mandatory and will not be pro-rated as per our policy.**

**Last Day to Order is  
Sunday, March 10th.**

**Delivery will be before  
Easter weeked**

**ORDER  
NOW**

**Infinity's competitive gymnastics team is holding a chocolate fundraiser to raise funds to help with the costs of their upcoming competitions.**

**ENJOY Purdy's chocolates which are made in Canada with premium quality ingredients, and sustainable cocoa. They even have vegan and no sugar added chocolates!**

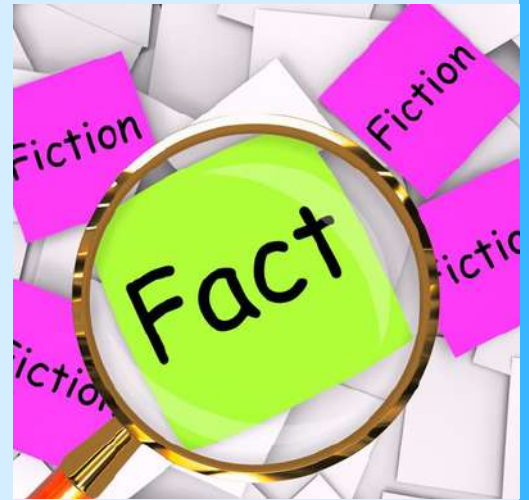

**Catalogues are available at reception or order online at  
<https://fundraising.purdys.com/1921616-115031>**
